

CIRCULAR AQUACULTURE FOR SUSTAINABLE FOOD PRODUCTION

A side event at One Ocean Summit 2026, hosted by AQUAPHOENIX Partners

 Bergen Bryggens Museum

 20 April 2026 | 14:00 – 17:00

AGENDA

Time	Topic	Speakers	Keywords
14.00	Welcome address	–	–
14.05	Session 1: The Dilemmas of Sustainable Food Production	Stephanie Van Der Poel (UNEP) Frode Vikebø (IMR) Pär Larshans (Ragn-Sells)	Sustainable production; fjord ecosystem; aquaculture emissions; future food production; coastal zone management
14.30	Session 2: Innovations for Circular Aquaculture	Hans Kleivdal (NORCE) Kristine Dahlgren (Eide Fjordbruk) Terje Ljones (Framo AS) Svein Johnsen (Biosystems) Anders Bjerga (Ragn-Sells AS) Dave Liefel (Savron) Jan Svård (EasyMining AB) Marvin Friesen (Friesen Group)	Case studies; enabling technologies; circular value chains; system innovations
15.20	Coffee break	–	–
15.35	Session 3: Drivers and Enablers for Circular Aquaculture	Ingrid Lundemo (Norwegian Seafood Federation) Britt Leikvoll (Norwegian Directorate of Fisheries) TBC (County Governor of Vestland) Ann-Cecilie Hansen (Norwegian FSA) Emil Gejrot (Nordic Innovation) Henrik Stensønes (North Sea Commission)	Policy; regulation; industry; regulatory authorities; politicians
16.30	Panel Discussion: The Way Forward	Moderator: Pär Larshans (Ragn-Sells) Speakers in discussions on accelerating circular aquaculture and what shared responsibilities emerge along and beyond the value chain	Accelerate circular aquaculture; shared responsibilities; future planning
